Located a few miles south of Chatham, the Pittsylvania Career and Technical Center has been serving the needs of Chatham residents since 1979. The Center is capable of working with individuals with special needs to the brightest students in the area. Pride, knowledge and skills are hallmarks of a Career Tech student.

Fourteen different career fields are offered to students, including Horticulture, welding, carpentry, computer systems and criminal justice. Students are members of Skills USA, Family, Career and Community Leaders of America (FCCLA), Agricultural FFA Education and Health Occupations Students of America (HOSA).
